Filter Cake Solutions

SUSTAINABLE and RENEWABLE

Winterization Filter

Activated Carbon Filter

Bleaching Filter

Hydrogenation Filter

Lead-lag Filter

CELLULOSE FILTER AIDS & ADSORBENTS

- Soft, elongated, fibrous structure is unlike any mineral
- Sustainable & renewable raw material
- Reduce operational costs of any filter cake application
- Lower dosing, less spent cake, & less oil loss
- Lower DP, longer cycle times, & less labor
- No inhalation hazard
- Doesn't wear equipment
- Spent cake has calorific value
